Proposal by the Board of Directors of Saniona AB on authorization for the Board of Directors to resolve on issues

The board of directors of Saniona AB, Reg. No. 556962-5345 (the "**Company**"), proposes that the annual shareholders' meeting on 26 May 2021 resolves to authorize the board of directors, within the limits of the company's Articles of Association, at one or several occasions, during the time up until the next annual shareholders' meeting, with or without deviation from the shareholders' preferential rights, to resolve to issue new shares, warrants and/or convertibles. An issue should be able to be made with or without provisions regarding contribution in kind, set-off or other conditions.

In case the authorization is used for an issue with deviation from the shareholders' preferential rights, the subscription price shall be on market terms (subject to customary new issue discount, as applicable). The purpose of the authorization is to be able to source working capital, to be able to execute and finance acquisitions of companies and assets as well as to enable new issues to industrial partners within the framework of partnerships and alliances.

The Company's CEO shall be authorized to make such minor formal adjustments of the resolution as might be necessary in connection with registration with the Swedish Companies Registration Office (*Sw. Bolagsverket*).

For a valid resolution, the proposal has to be supported by shareholders representing at least two-thirds of the votes cast as well as of all shares represented at the annual general meeting.
